DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FARMWORKER SAFETY STATEMENT

Do not apply this product in such a manner as to directly or through drift expose workers or other persons. The area being treated must be vacated by unprotected persons. Do not enter treated areas without protective clothing until sprays have dried. Because certain states require more restrictive reentry intervals for various crops treated with this product, consult your State Department of Agriculture for further information.

Written or oral warnings must be given to workers who are expected to be in a treated area or in an area about to be treated with this product. When oral warnings are given, warnings shall be given in a language customarily understood by workers. Oral warnings must be given if there is reason to believe that written warnings cannot be understood by workers. Written warnings must include the following information: "WARNING: Area treated with dimethoate on (date of application). Do not enter without appropriate protective clothing until sprays have dried."

REQUIRED CLOTHING AND EQUIPMENT APPLICATION

All applicators, including homeowners, flaggers and all personnel involved with mixing, loading and transferring operations, must wear the protective clothing and equipment enumerated below. Pilots are exempt from this requirement. The protective clothing and equipment to be worn is as follows: 1) impermeable gloves (example, rubber- or plastic-covered reinforced gloves); 2) boots or boot covers; 3) long-sleeved shirt and long pants; 4) wide-brimmed hats; 5) respirators must be worn by flaggers and mixers/loaders.

LENTILS: Aphids - Apply 1/2 pint per acre when insects first appear. Repeat applications as needed. **Lygus** - Apply 1 pint per acre when insects first appear. Repeat applications as needed. Do not apply within 14 days of harvest. Do not feed or graze hay or treated vines.

READ AND FOLLOW ALL DIRECTIONS FOR USE AND PRECAUTIONARY STATEMENTS IN THE EPA REGISTERED LABEL.

THIS LABEL MUST BE IN THE POSSESSION OF THE USER AT THE TIME OF APPLICATION.
